October Count: The Diocese has involved itself in a common pastoral practice across the United States known as the 'October Count.' The month of October is selected because several statistics indicate that it represents one of the best months to count individuals who attend each weekend Mass (English or Spanish) at a parish for that month. This is a practical tool for pastoral planning for our parishes throughout the Diocese and I would be grateful for your participation again this year.
—Bishop Shawn McKnight

If all those serving as ushers for the month of October, could please come to mass early so that you count the people who enter church for mass, that would be wonderful. The counters and form for the count will be in the ushers area.—Thank you

Our Catholic Stewardship Appeal This weekend we begin our Catholic Stewardship Appeal here at St. Stanislaus. This annual appeal is the primary source of funding for sustaining ministry and assistance for the 110 Catholic churches in the 38 counties that make up the Diocese of Jefferson City. As Catholics, we share in the responsibility for forming our priests and deacons, for supporting teachers in our Catholic Schools, and PSR and for serving the sick, the poor, and the forgotten among us. Through the CSA, we do this better because we do it together. The goal for St. Stanislaus this year is \$199,163.00. Please be generous in your support of this year's CSA.
