Lenten Regulations:

Abstinence: all persons who have already celebrated their 14th birthday are bound to abstain from meat on Ash Wednesday, all Fridays of Lent and Good Friday.

Fasting: everyone, from the celebration of their 18th birthday to their 59th birthday, is bound to fast on Ash Wednesday and Good Friday. Fasting is generally understood to mean eating only one full meal each day. Two other partial meals, sufficient to maintain strength, may be taken; but together they should not equal another full meal. Eating between meals is not permitted, but liquids are allowed. Voluntary fasting on other weekdays of Lent is highly recommended. But please note: when health or ability to work would be seriously affected, neither the law of fasting nor the law of abstinence obliges. These are minimal penitential practices and should not be lightly excused. If in doubt, please consult your parish priest. Other recommended forms of fasting, as regards alcoholic drink, needless television, video games, internet use, and social entertainment, are of true spiritual value and strongly encouraged.
